Discovery tours to select, exceptional exhibits invite visitors to get to know the extraordinary MAK collection in the context of this year's ORF Long Night of Museums. The tours lead to highlights like Gustav Klimt's design drawings for the mosaic frieze in the dining hall of the Stoclet Palace, Margarete Schütte-Lihotzky's Frankfurt Kitchen or the Dubsy Room. Visitors can also explore the exhibition *FREDERICK KIESLER: Life Visions* and submerge into the fascinatingly complex work of the Austrian-American all-round artist. A workshop and two MINI MAK Tours for children are dedicated to Frederick Kiesler. Adults can look forward to a Long Night Drink at the Salonplafond and caffeine beverages in the Coffee Lounge by CaffèCouture after 6 p.m. The Long Night of Museums is concluded in the MAK by Terror+Martina and FOR DJ BOOKING CALL, who ensure adequate musical accompaniment with a fresh sound.
